MR. R. J. WILLIAMS

As we take time to reflect upon dedicated lives around us, yours, Mr. R. J. Williams, merits our admiration and respect for all that you have accomplished in working for our development.

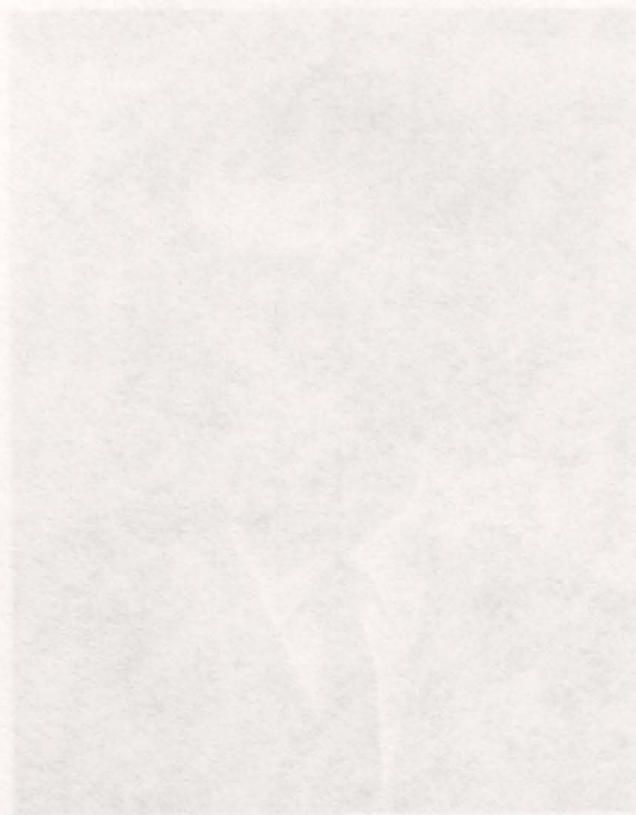

Patience and understanding are only part of your contributions to the success of our class. Your spirit and effort have encouraged us to better ways of thinking, and we feel especially fortunate in having such superior guidance.

Out of the now dim shadows of our treasured past,  
the glow of candles lights our memories with FLICK-  
ERING GLIMPSES of our radiant era upon this place.  
Though the gleam is steady, the images come and  
go. As they come, let us grasp them to our hearts;  
and as they go, let them burn their reflections upon  
these pages to illumine and glorify shining moments  
that might otherwise fade into the darkness of  
obscurity.

Out of the new and shadow of our heavenly part,  
The glow of candle light our momentary with FLICK-  
ERING GLIMMER of our vision is upon the place.  
Though the light is steady, the images come and  
go. As they come, let us keep them to our hearts;  
and as they go, let them have their reflection upon  
these pages to illumine and glorify shining moments  
that might otherwise have been the darkness of  
obscurity.

A SOUVENIR OF FOREVER

Your Photograph

A few moments' photography with two young ladies... it represents well as  
the record of a happy time in their lives. The children's faces are so full of  
life and joy, that they will be remembered for years to come. The mother's  
face is so full of love and affection, that it is a pleasure to look at it. The  
father's face is so full of strength and courage, that it is a pleasure to look at it.  
The whole family is so full of life and joy, that it is a pleasure to look at it.
